

CO-CREATION WORKSHOPS FOR DRONE/RPAS APPLICATIONS IN KENYA

WeRobotics is organizing co-creation workshops together with Kenya Flying Labs, and our partners the Kenya Uncrewed Aircraft Systems Association (KUASA) to align Kenya drone/UAS users and the Kenya Civil Aviation Authority (KCAA) on evolving the regulatory framework.

OUR MAIN GOAL

Our initiative aims to jointly enable the routine operation of drones and UAS in a safe, harmonized, and seamless manner that considers all current and possible future applications and uses of drones and UAS in Kenya. This will allow the creation and growth of a thriving drone and UAS ecosystem in Kenya.

WORKSHOP GOALS

Catalog with current and future drone/RPAS applications, organized in a logic that reflects needs in relation to regulations

Overview of identified and qualified challenges faced for drone usage in Kenya

Overview of the gaps in training and certification

Location: USIU-Africa, USIU Road, Off Thika Road (Exit 7) Nairobi, Kenya.

FORMAT & DATE OF WORKSHOPS

- ✓ We will organize 2 initial workshops that will each last 1 day, on **Monday, July 29 and Tuesday, July 30, 2024.** Interested participants will attend the one day that fits them best.
- ✓ All participants are then invited a joint session to finalize and decide on the key recommendations that will be presented to the KCAA & partners **Wednesday, July 31, 2024.**
- ✓ We will share the anonymized workshop outcomes with KCAA on **Friday, August 2, 2024.** Workshop participants who would like to attend the presentation are welcome to attend.

TARGET PARTICIPANTS

The ideal participants of the series of Co-Creation workshops are **current and future drone/RPAS users** active in Kenya in the following sectors:

- > Commercial companies
- > Civil society (local non profits, association, etc.)
- > Government services and ministries
- > Think tanks and research institutes
- > Academia (universities & research centers)
- > Individuals using drones, including students and youth

Workshops are free for all participants, drinks and lunch will be provided

**SIGN-UP TO PARTICIPATE
IN THE WORKSHOP HERE**
